LORD, I AM THANKING YOU

Dear God,

I want to thank You for what You have already done. I am not waiting until I see results or receive rewards; I am thanking You right now. I am not waiting until I feel better or things look better; I am thanking You right now. I am not waiting until people say they are sorry or stop talking about me; I am thanking You right now. I am not waiting until the pain in my body disappears; I am thanking You right now. I am not waiting until my financial situation improves; I am thanking You right now. I am not waiting until the children are asleep and the house is quiet, I am thanking You right now. I am not waiting until I get promoted at work or until I get the job; I am thanking You right now.

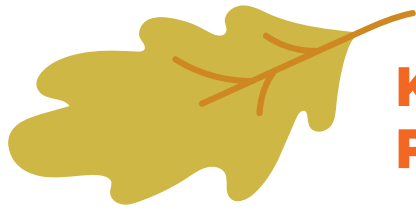

“

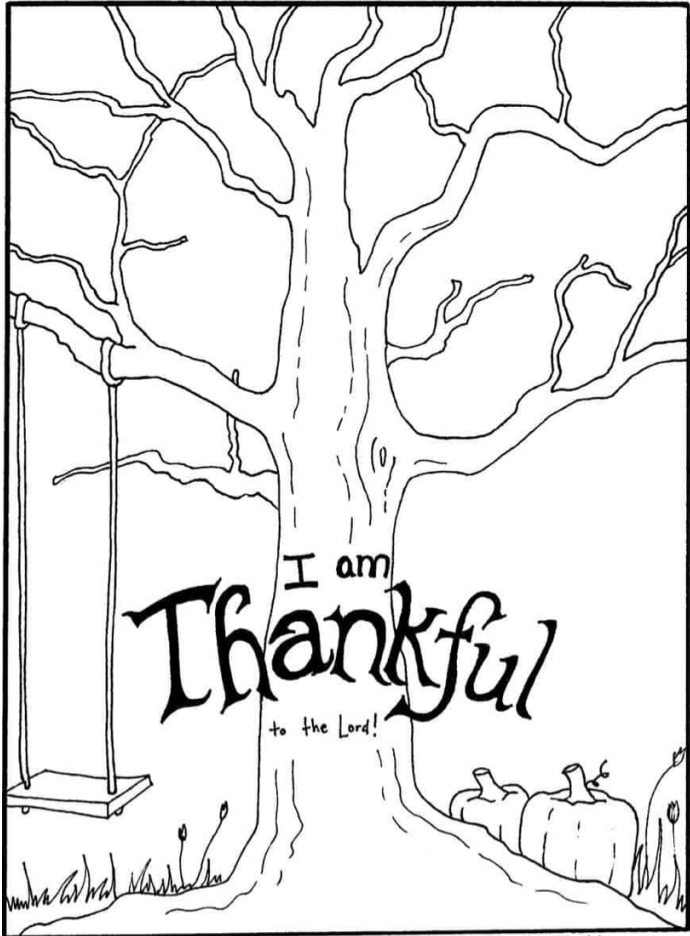

*Rejoice always,
pray continually,
give thanks in all
circumstances;
for this is God's
will for you in
Christ Jesus.*

1 Thes. 5:16-18

I am not waiting until I understand every experience in my life that has caused me pain or grief; I am thanking You right now. I am not waiting until the journey gets easier or the challenges are removed; I am thanking You right now. I am thanking You because I am alive; I made it through the difficult days; You walked me around the obstacles. I am thanking You because You have given me the ability and the opportunity to do more and to be better. I am thanking You because You did not give up on me. God, You are so good, and all the time, You are good.
