Thanksgiving always falls on the fourth Thursday of November

Dear God:
I just want to thank you for what you have already done. I am not going to wait until I see results or receive rewards. I am thanking you right now.
I am not going to wait until I feel better or things look better, I am thanking you right now.
I am not going to wait until people say they are sorry or until they stop talking about me, I am thanking you right now.
I am not going to wait until the pain in my body disappears, I am thanking you right now.
I am not going to wait until my financial situation improves. I am going to thank you right now.
I am not going to wait until the children are asleep and the house is quiet, I am going to

thank you right now.
I am not going to wait until I get promoted at work or until I get the job, I am going to thank you right now.
I am not going to wait until I

Lord, I am thanking you

understand every experience in my life that has caused me pain or grief, I am going to thank you right now.
I am not going to wait until the journey gets easier or the challenges are removed. I am

thank you right now.
I am thanking you because I am alive.
I am thanking you because I made it through the difficulty days.
I am thanking you because you walked me around the obstacles.
I am thanking you because you have given me the ability and the opportunity to do more and be better.
I am thanking you because you did not give up on me. God you are so G-o-o-d, and all the time you are G-o-o-d.

Thanksgiving Dinner and Prayer

Our table is set now; great food you can bet now.
It's Thanksgiving Day, and we're ready to eat;
All those near and dear us are here today to cheer us.
This dinner is a winner, a wonderful treat.
It's time to be thankful for all that God gives us;
Dear Lord, we are grateful; Dear God, hear our prayer.
It's You we are praising; our voices we are raising;
Bless us and bless this food; keep us safe in your care.

More Than A Day

Thanksgiving is not only just eating great food but enjoying God's love with others.

As Thanksgiving Day rolls around,
It brings up some facts, quite profound.
We may think that we're poor,
Feel lonesome and insecure,
But in truth, our riches astound.
We have friends and family we love;
We have guidance from heaven above.
We have so much more
Than they sell in a store,
We're really rich, when push comes to shove.
So count your blessings, I say;
Make Thanksgiving last more than a day.
Enjoy what you've got;
Realize it's a lot,
And you'll make all your cares go away.

I'm Thankful for You

"In each day of our days we can find small blessings, but too often we overlook them..."

Thanksgiving is the appointed time for focusing on the good in our lives. In each of our days, we can find small blessings, but too often we overlook them, choosing instead to spend our time paying attention to

problems. We give our energy to those who cause us trouble instead of those who bring peace. Starting now, let's be on the lookout for the bits of pleasure in each hour, and appreciate the people who

bring love and light to everyone who is blessed to know them. You are one of those people. On Thanksgiving, I'm thankful for you. Happy Thanksgiving!

A Child's Thanksgiving

I'm thankful for the many things
That help us live as well as my new jeans,
For all the food and all the rules
And another holiday from school.

Children are a blessing, so thank the Lord
